GB-T3

Cross Flow Air Curtains

Elevate your entrance with the new **GREENBREEZE GB-T3**, a premium cross flow air curtain designed to blend high-end aesthetics with powerful performance. Patented for both invention and design, the GB-T3 is the ideal solution for maintaining indoor climate comfort in a variety of commercial spaces, from modern offices to upscale restaurants.

Key Features:

- **Elegant and Durable Design:** The GB-T3 features a fashionable appearance crafted from frosted aluminum. This high-end finish is not only elegant but also easy to clean, ensuring it maintains its sleek look over time.
- **Superior Airflow Performance:** Experience a great air curtain effect thanks to a unique air duct and air inlet design. This innovation delivers powerful, smooth, and even airflow. Notably, this design allows for an effective installation height that is approximately 0.5m higher than competing models.
- **High-Efficiency, Low-Noise Motor:** At the heart of the GB-T3 is a powerful, proprietary "self-made" motor designed for high efficiency. It ensures reliable operation while keeping noise levels low for a quieter environment.
- **Convenient Multi-Control Options:** Operation is streamlined with a new generation remote control receiver alongside manual keys. The unit comes standard with two speeds, with an optional three-speed configuration available to suit different operational needs.
- **Optional Intelligent Energy Saving:** Increase efficiency further with the optional intelligent magnetic door switch. This feature allows for automatic humanized control based on door opening and closing, significantly reducing indoor air outflow and conserving energy.

Key Features:

Voltage/Frequency: 220-240V/50Hz

Model	Diameter of Impeller (mm)	Input Power (W)	Air Velocity (m/s)	Air Volume (m ³ /h)/(CFM)	Noise (dB)	Net Weight (Kg)	Gross Weight (Kg)	Unit Size (mm)	Mounting Height (mm)
GB-T3-CF-900	120	130	11	1700	≤55	12.5	14.6	900×220×209	2.3-3
GB-T3-CF-1200	120	160	11	2350	≤57	14.7	17.4	1200×220×209	2.3-3
GB-T3-CF-1500	120	190	11	2850	≤58	17.6	19.3	1500×220×209	2.3-3

*One year replacement warranty for manufacturing defects. All spares available.
